

WHADDON NEWS

Christmas

What a busy but exciting term this one has been!

This issue is a bit different.

It is a photo edition to show the many Christmassy activities and events the children have taken part in during the last fortnight.

Everyone is tired and ready for a rest but before we go, we would all like to say thank-you to all of our families. Thank-you to the wonderful children for working so hard while remaining enthusiastic about all you have learnt. For treating each other kindly and with patience and for making Whaddon School such a great place to be. Thank-you to parents for all of your support and help. For all that you do to encourage your children to be the best they can be.

Snow!

In case of snow, we will always endeavour to stay open.
If, however, we are forced to close the school for the
safety of the children and staff, we notify you as soon
as a decision has been reached.

We will send out a text and an email to all families and
we will put a notice on the school website. You can also
go on to the county website and check the list of
schools that have
closed: <http://closures.buckscc.gov.uk/>

County inform local radio stations so you can tune in to
Mix FM or Heart FM and they will read out a list of the
local schools that have had to close.

If we need to close the school **during the day** due to
worsening weather conditions or facilities failure, we
will send an email and text message and put a message
on the school website. Please check these lines of
communication regularly if we experience weather
which could result in us closing the school early.
