## Transition day 2025 1<sup>st</sup> or 2<sup>nd</sup> July 2025

Depending on the local authority of the setting you have been awarded a place in, this date may vary. We recommend that parents refer to the website of the relevant secondary school, for their specific transition date, letting us know the date their child will be attending. This will ensure they get marked as present at another educational setting.

\*Please note: parents are responsible for the transportation to and from their child's next school, on these days. Any children who require an extended transition, will be discussed with parents: individually and arranged with the relevant school, ahead of time.
