

WHADDON NEWS

September Edition

Well the weather has certainly turned colder and we are all enjoying the more autumnal elements of school. Picking blackberries, making crumble over the fire, collecting beautiful leaves and discovering hedgehogs.

While this is a picturesque, cosy time of year, it is also one tinged with sadness as we have to say goodbye to our beloved Reverend Gussie as she moves on. Gussie has been an active part of our school for many years and we will always remember fondly, her exciting assemblies that have us laughing, but also leave us thinking. She ensured God remains in our lives and every child and adult feels his love, reminding us often, he is always there when you need him. You only have to talk.

Goodbye Gussie. We will miss you very much.

Meet our new Whaddon children!

Thoughts on being back

By Class 1 and Class 2

It is different in Year 2 because I am the oldest class . I am using wisdom, compassion and endurance. .

Sam

I am looking forward to doing lots of writing in Year 2.

Rupert

I like being back at school because I like doing my learning.

Archie M

I am in Year 2 now I like being in Year 2 and being the Tree Team.

Jess

It is different in Year 2 because I am the oldest class . I am using wisdom, compassion and endurance. .

Sam

Year 2 is good because we are mixing up with Year 1 more..

Kitty

I liked going to the woods. I like being Year 2 because it feels bigger.

Harrison

Being Year 2 is great because you get to do lots of maths.

Your new School Councillors

Hello! My name is Claudia and I am in year 2. I have to show an example to all of the younger children in the school because I am in the oldest class in the school, and I am a school councillor. I help foundation stage and year one in lots of different ways. I enjoy being an artist, I especially like painting. I also love writing and that's why I am writing this report to introduce myself as a school councillor. I'm looking forward to helping the children around school.

Hi, my name is Archie and I am a school councilor. I like doing writing and maths and playing with my friends. I help people when they are hurt and I am looking forward to listening to the other children around the school.

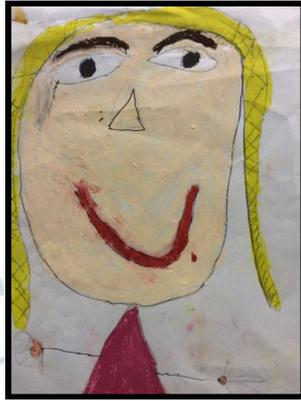

Hello I am Ruby, nice to meet you. I help the foundation stage children by helping them up when they fall over. I enjoy drawing and doing maths. I am looking forward to meeting with the other to talk about their ideas for the school.

Hello, my name is Lawrence and I am one of the year one school councilors. It is my second year at Whaddon School. I like to chat to other children about the school and I enjoy maths with Miss Cartwright and writing with Miss Nash. I am looking forward to meeting Mrs Davies lots as a school councillor.

Learning Outside the Classroom: A trip to the woods

Class one and two spent a sunny morning in the Kirby family's wood. The children walked across fields, down footpaths and over a bridge to reach the woodland. Once there, they spotted Autumnal treasures, identified trees and tried (not very successfully) to spot squirrels. They also found out which creatures lived under logs, on the woodland floor and in the treetops. The children were in teams of four to complete the challenges - one of the themes of the day was how to work together as a team. The children rose to the challenge and we had a fantastic morning. The walk back was slightly uphill, which gave us all a good work out. Everyone had earned their lunch by the time we got back!
