### Transition day 2024

This will be our first Year 6 transition day! Typically, this is the first Tuesday in July, but this may vary, depending on which local authority, the setting you have been awarded a place in, is located.

We recommend that parents go directly to the website of the secondary school, in which their child has been allocated a place, to ascertain when their transition day is, then let us know which date their child will be attending. Please note: parents are responsible for the transportation to and from the next school, on these days. We will record this visit as authorised absence. Any children who require an extended transition, of more than one transition opportunity, will be discussed with parents individually and arranged with the relevant school, ahead of time.
