

Whaddon Weekly Newsletter

Newsletter number 11

21st November 2025

“You are the light of the world, let your light shine!” Matthew 5-14-16

Dear parents and children,

Welcome to the latest edition of our school newsletter.

School vision

This week, our school community have been shining brightly and living our value of endurance, in the face of some very icy weather. The staff have ensured that the site has remained gritted and safe for all to use. Compassion was in full swing, last week and we are proud to report that our small school, with a big heart, raised £85.00 for Children In Need.

Key Stage 2 snacks

Please can parents of children in KS2 Badgers and Foxes provide a break time snack, to help see the children through to lunch time.

Wellies

In light of the recent wet and freezing weather we request that all children have access to wellies to access the field at break and lunch times. Wellies should be named.

PE in cold weather

In light of the very cold temperatures experienced recently, we would urge parents to ensure their children have the right PE clothing for the weather conditions on their designated PE day.

Parent Questionnaires

Thank you for attending the parents' evenings, before half term. Parent questionnaires were issued last week, for **return by 26th November**. Please remember the questionnaires are anonymous and help us gather your thoughts on what is working well and how we can make things even better. We value your feedback.

Forest school volunteers

We are looking for volunteers to support our forest school sessions, which take place on Friday mornings 09.45-11.45am. If you are able to help, or be on call should we need an extra pair of hands, please let Mrs Ellis, in the school office know. Thank you to the volunteers who have already spent time in our lovely forest school!

Mascot competition winner

Congratulations to Tori who won the design a school mascot competition! The school undertook a vote and Tori's design was most popular.

Wheel barrow- thank you!

A huge thank you to Mr and Mrs Edwards for the donation of our new wheel barrow. It makes gardening club and forest school all the easier!

Lunches

Please book your child's lunches on Wisepay. If the deadline, for ordering is missed, please provide your child with a packed lunch. We politely request that no nuts, in any form, are brought into school, due to severe nut allergies in our school community.

As you may be aware, St. Paul's are our lunch provider. We have recently been in talks with them about the low numbers of hot lunch uptake and how this is not financially viable for them, as a business. We are keen to keep them as our provider; however, this is dependent on more parents choosing St. Paul's lunches on Wisepay.

If we can't raise the number of children selecting their lunches, we may be in the position of losing our contract with them. We have looked into other providers, but due to the very small numbers of lunches being ordered, other companies won't take us on. We have also considered providing lunches on site, but do not have the required facilities, in school, to make, store and serve hot lunches. We appreciate that some children have sensory needs around food and have to have specific food provided by home, but would urge parents to go through the menu with children to see if there are any meals they would like, throughout the week.

Dates for the diary

Key dates for the diary can be found on the school website and on class pages of the school website.

27th November VR tour around the human body- whole school

4th December Christingle- children only- in school

5th December village Christmas tree decoration Jubilee Hall pm
