

Year 1/2 Spring Maths Overview

Lesson Step	Year 1	Lesson Step	Year 2
<u>Week 1 - Place Value (Year 1) and Money (Year 2)</u>			
1	Count within 20	1	Count money – pence
2	Understand 10	2	Count money – pounds (notes and coins)
3	Understand 11,12,13	3	Count money – pounds and pence
4	Understand 14,15,16	4	Choose notes and coins
5	Understand 17,18,19	5	Make the same amount
<u>Week 2 - Place Value (Year 1) and Money (Year 2)</u>			
6	Understand 20	6	Compare amounts of money
7	1 more and 1 less	7	Calculate with money
8	The number line to 20	8	Make a pound
9	Use a number line to 20	9	Find change
10	Estimate on a number line to 20	10	Two-step problems
<u>Week 3 – Addition and Subtraction (Year 1) and Multiplication and Division (Year 2)</u>			
11	Compare numbers to 20		Assessment
12	Order numbers to 20	1	Recognise equal groups
	Assessment	2	Make equal groups
1	Add by counting on within 20	3	Add equal groups
2	Add ones using number bonds	4	Introduce the multiplication symbol
<u>Week 4 - Addition and Subtraction (Year 1) and Multiplication and Division (Year 2)</u>			
3	Find and make number bonds to 20	5	Multiplication sentences
4	Doubles	6	Use arrays
5	Near doubles	7	Make equal groups – grouping
6	Subtract ones using number bonds	8	Make equal groups – sharing
7	Subtraction – counting back	9	The 2 times tables
<u>Week 5 - Addition and Subtraction (Year 1) and Multiplication and Division (Year 2)</u>			
8	Subtraction – finding the difference	10	Divide by 2
9	Related facts	11	Doubling and halving
10	Missing number problems	12	Odd and even numbers
	Assessment	13	The 10 times tables
	Consolidation	14	Divide by 10
<u>Week 6 – Place Value (Year 1) and Multiplication and Division (Year 2)</u>			
1	Count from 20 to 50	15	The 5 times table
2	20, 30, 40 and 50	16	Divide by 5
3	Count by Making Groups of 10s	17	The 5 and 10 times table
4	Groups of 10s and 1s		Assessment
5	Partition into 10s and 1s		Consolidation

Week 7 – Place Value (Year 1) and Length & Height (Year 2)

6	The number line to 50	1	Measure in cm
7	Estimate on a number line to 50	2	Measure in m
8	1 more and 1 less	3	Compare lengths and heights
	Consolidation	4	Order lengths and heights
	Assessment	5	Four operations with lengths and heights

Week 8 - Length/Height (Year 1) and Mass/Weight (Year 2)

1	Compare lengths and height		End of Block Assessment
2	Measure length using objects	1	Compare mass
3	Measure length in cm	2	Measure in grams
4	Order lengths and heights	3	Measure in kg
	Consolidation / Assessment	4	Four operations with mass

Week 9 –Mass/Weight (Year 1) and Volume & Capacity (Year 2)

1	Heavier and lighter	5	Compare volume and capacity
2	Measure mass	6	Measure in ml
3	Compare mass	7	Measure in l
4	Order mass / weights	8	Four operations with volume and capacity
	Consolidation / Assessment	9	Temperature

Week 10 – Capacity & Volume (Year 1) and Mock SATS (Year 2)

5	Compare volume		Assessment
6	Measure capacity	Mock SATS	Arithmetic Paper
7	Compare capacity		Problem Solving and Reasoning 1
	Consolidation		Problem Solving and Reasoning 2
	Consolidation		Consolidation

Week 11 – Assessment Review
